

Crochet Easter Eggs

Crochet some of your Easter Eggs this year! It is made from 2 motifs that you then stiffen with fabric stiffener, fill with Easter Candy or money, and then hold

the two pieces together with ribbon. Great idea and so much fun.

Materials: Any Color of Size 10 Thread, Size 1.80 mm crochet hook, Fabric Stiffener, and tin foil

CH = Chain

SL = Slip Crochet

SC = Single Crochet

DC = Double Crochet

SP(S) = Space(s)

SK = Skip

Motif 2: Top of egg

Rep from Base to Rnd 7;

Skip Rnd 8 completely

Rep Rnd 9 and 10.

Make a form for the egg:

I took tinfoil and made a form of an egg. Make sure it is big enough to fit the motifs snugly.

Stiffen your egg:

Take fabric stiffener and stiffen the 2 motifs of the eggs and place them onto the egg form. And pin them down to the form.

Let your egg dry:

You can let your eggs sit overnight and completely dry or what I like to do is get out your blow-dryer and dry it that way.

Take a ribbon and weave it in any like manner though Rnd 9 on both motifs. Completely go around the egg and tie a bow and you are now finished. Don't forget to put your treats into the egg!
