Row 14: Rep Rows 12 and 13 ten times, tie off and hide string.

Flatten hat down so it looks similar to a square. Attach yarn right side of hat and SC the two edges tog along the top of the hat. Flip right side out.

Make two Pom Pom's out of Pink (rose) yarn, and then tie them to the corners of the hat.

I make my pom poms by wrapping yarn around three fingers loosely about 20-30 times, then take another piece of string and tie the string around the middle of the pom pom. Tie this part tight. Then take the scissors and cut all the loops and trim the loop into a perfect ball. Make sure not to cut the two longer strings so you can attach to the hat.
